SOUTH SHORE NEPTUNES FIFTY YEARS OF DIVING 1955 ----- 2005

Past Events

The point dive on Sunday, June 12th, left the Quincy docks at 8:00 a.m. There were three divers making the trip with the first stop at The City of Salisbury and the second dive at Shag Rocks. Aboard with Marshall Reynard were Roy Chamberlain and Todd Alger. At the City of Salisbury they anchored right on the wreck and they had decent visibility of 15 to 25 feet. At the Shags visibility was 30 feet plus. The report from here was that the lobster were plentiful but the majority were undersized and several more were oversized. But it was a good dive.

At the regular meeting on Tuesday, June 21st, there were two very important decisions made by those present. As reported in the last newsletter, the subjects of meeting attendance and of the number for a quorum and also meetings themselves were to be discussed and acted upon if necessary. The first question taken up was the number of members which are necessary to make up a quorum to conduct business. At the time of the meeting the quorum was

thirteen. During the past several months there have been four meetings cancelled due to lack of a quorum. After much discussion on the subject there was a motion from the floor. Roy Chamberlain made a motion, which was seconded by John Blackadar, that the number of members needed to be present to constitute a quorum be reduced from thirteen to ten and that this change remain in effect from the period beginning July 1, 2005 and ending June 30, 2006. This motion was passed with no votes in the negative. Following this vote the next subject was that of the meetings. Again, there was a lengthy discussion which also resulted in a motion to make a change. The change deals with the general membership meetings. There were no recommendations to make any changes to the Board of Directors meeting. Roy Chamberlain made a motion, which was seconded by Gary Osborn, that there be a membership meeting on the first Tuesday of the month, and that the membership meeting now held on the third Tuesday be dropped and that this change go into effect starting July, 2005 and end after the June 2006 membership meeting. This motion was passed with no votes in the negative.

Gary Greenberg sent a post card along from sunny California. For those who don't know, Gary is a young aspiring actor. He has just moved up to Los Angeles and states he is doing okay and wishes everyone well.

The South Shore Neptunes also received a thank you from the Cotting school for the club's donation to the school. The club has been involved with the school for years through the air card program.

On Sunday, June 26th, Dave and Debbie Ingles hosted the 'Start of the Summer Party' at their home in Kingston. It was a beautiful sunny day, maybe a little too hot if anything. There were around thirtyfive to forty members and their family members on hand. Dave did the honors at the grill. The food was abundant and very good. From the cold dishes to those items hot off the grill and the desserts, everything was great. Debbie and Dave have only recently purchased this home and Debbie enjoyed the chance to be the tour guide and host.
