Past Events

The South Shore Neptunes annual outing was held at Duxbury Beach on Sunday August 7th. It was a great day for a day at the beach. There were 100 plus attendees. And as was expected, Angelo and his many assistants at the food tent, put out a great feed. There was salad, hot dogs, burgers, corn, chicken, sausage, watermelon, cold drinks and sweets for everyone. John Blackadar once again did a fine job running the games for all the kids, including the youngsters and the not so young. Capt. Dennehy and his force made a beach landing and ended up in a standoff with the locals. It seems there were a few beach regulations which we were not aware of. Likewise, John Blackadar who has been making the

the arrangements for years at the beach was met by a new manager at the gate who presented John with a new set of requirements for using the beach. John worked it out and the day went well. Photos follow.

The main event of the season finally arrived. On Saturday, August 20th, the Fiftieth Anivertary Banquet of the South Shore Neptunes was held at Anthony's Pier Four in Boston. The event was a smashing success with 170 guests attending. This number could be off a few, up or down. The anniversary committee put a lot of effort into making it the wonderful evening it was. The many current regular and life members and past members of the club was impressive. Everything went well from start to finish. The floral center pieces for the tables, the cameras at each table, the live music and the fine dinner and the many and varied door prizes all added up to a great evening. But most important to the success of the evening were the ladies and gentlemen at the banquet. You made your celebration a success. There are several photos in the newsletter that were taken at the banquet.

The club non-point dive was scheduled for Sunday, August 21st. Tommy Lo was at the Quincy Yacht Club at the prescribed time for the dive and found himself to be a dive party of one. He waited for anyone who might arrive late and also tried to raise others who may have already been on the water. No one else showed up and he received no response on the marine radio. Tommy secured for the day. Most likely the dive was pre-empted by Dave Clancy's birthday party.

On Sunday, August 21st, the day following the Anniversary party, the celebration continued with a 65th birthday party for our Florida connection and life member, Dave Clancy. The party took place at Roy Chamberlain's home in Marshfield. Roy reports there were 31 people present, including Jeff Jacobs who was up from Florida. The success of the night before carried over to Dave's party and Roy states that they had a most enjoyable day with Dave.

The club point dive took place on Sunday, August 28th. The original site selected for the dive was Harding's Ledge. There were 8 divers at the dock to make the trip. With the agreement of all present the group opted to change the site to Graves Light to do some lobstering. Two boats, Tommy Lo's and Marshall Reynard's made the trip. The divers making the trip were Marshall & Sue Reynard, Kathi Bell & Tim Niu, Tommy Lo, Todd Alger, Bob Bell and Angelo Correnti. After a dive at Graves, Tommy moved the boat and did a second dive at Tewksbury Rock, located off the Outer Brewster. Reportedly several lobster were taken.

Upcoming Events

The point dive for the month is Sunday, September 11th, and is a boat dive. The site for the dive is Shag Rocks. Boats will leave from the yacht club docks at 8:00 A.M.

The non-point dive for the month is Sunday, Sept. 18th, and will be a boat dive. The site for the dive will be determined at the docks the morning of the dive. Again, boats will cast off at 8:00 A.M.

Saturday, October 1, 2005 is the date for the Annual Flea Market. It will be held again this year at the Building #19 site on **Route 53** in Hanover. Again we need the help of the members to make this event a success. The club needs donations for its table. Remember: "One man's junk is another man's treasure". If you have items you have been meaning to discard, here is your opportunity to get rid of them. Bring them to the clubhouse on the first two Tuesdays of September, ie, the 6th or the 13th. Also, we will be looking for help at the Flea Market itself. We need to man the gate and the tables and be ready to handle any problems that may occur. If you have items and are not able to get them to the club call one of the officers and we will make arrangements to pick items up. If you know of anyone who might want to rent a space, have him call Angelo.

A Tip of the Hat

It is always good to hear about success. Congratulations to Kathy Blackadar. Kathy has completed her studies at Northeastern University and received her Bachelor of Science Degree on September 1st.

ANNUAL FLEA MARKET

As you may be aware, the Annual Flea Market is a primary fund raiser for the club. To make it successful, we need help. If you can volunteer your time or if you have items you would like to donate to the club table, either would be greatly appreciated. On Friday, September 30th, we will be at the clubhouse pricing and sorting items for the table. On Saturday, October 1st, we will need help to man the gates, and the club tables and also assist with other chores which arise. Bring your discarded treasures to the clubhouse on the 1st or 2nd Tuesday in September. If you have something to contribute but are unable to get it to the clubhouse, call a club officer and we will try to make arrangements to pick the item(s) up. Remember, "One man's trash is another man's treasure." Only I don't know who said it.
