Past Events

After enjoying two great parties in August, the annual family outing and the 50th Anniversary Banquet, it looks like we took September off to recover.

The point dive went off as scheduled on Sunday, September 11th. There were three boats making the trip. Aboard with Tom Lo were Angelo Correnti and Michelle Bell. Ed Bates had Joe Geyer, Kathi Bell and Tim Niu riding with him and the third boat had the skipper, Tim Burke, along with Jay Theriault and Lenny Piquot. The boats were originally headed for the Roaring Bulls but there were some big rollers en-route and the captains opted to divert to Shag Rocks. Following a dive at the Shags they did a second dive over to Boston Ledge. The report was that there

were a few lobster taken but that there were a lot of dogfish on scene to keep the divers company.

The non-point dive was Sunday, September 18th. The only report I have on the dive was that Marshall Reynard got himself a two bagger, a lobster catch along with a good catch of scallops.

Special Notice Election of Officers

The question has come up on when the club will hold the Annual Election of Officers. The answer is that there is no change in the election process. The elections will be held on the 3rd Tuesday in December, the 20th. Nominations for the individual offices and for the board positions will be accepted on the 1st Tuesday and also on the 3rd Tuesday in December. Voting will occur at the close of nominations .

Guest Speaker Stellwagon Bank Marine Sanctuary

On Tuesday evening, October 18th, Matthew Lawrence, an archaeologist with the Stellwagon Bank Marine Sanctuary, will be at the clubhouse to speak and give a powerpoint presentation on 'The Heritage of the Stellwagon Bank Marine Sanctuary' and also will cover notable shipwrecks of Mass. Bay including the passenger steamer Portland.

Upcoming Events

Saturday, October 1st, the club will be conducting its Annual Flea Market at the Building 19 1/3 Store parking lot on Rte. 53 in Hanover. This has proven to be a successful fund raiser for the club. We have a table of our own at the flea market and if you have anything you would like to donate to the club for the table please bring it along to the clubhouse or call a club officer and if possible we will have someone pick up your item or items. Again, a reminder, 'one man's junk is another man's treasure'. Also, if you're available to lend a hand at the flea market your assistance will be appreciated. We can always use help. If the flea market is rained out on Saturday, the 1st, it will be run the next day, Sunday, the 2nd.

The point dive is scheduled for Sunday, October 9th, and it will be a boat dive with the boats leaving from the Quincy Yacht Club docks at 8:00 A.M. The site will be chosen prior to departure.

The non-point dive is on Sunday, October 16th. This is scheduled as a boat dive and will probably be the last boat dive of the year. And again the site will be selected by the divers prior to departure from the yacht club.

On Saturday, October 29th, it is the 21th presentation of Roy Chamberlain's Annual Halloween Party. Once again word has it that Roy is working on a new project for the party. There is no word on what it might be. He says they were inventorying the props large and small and there are in excess of 3600 items. Roy states that this year when the pictures are taken they will be printed and available for party goers the night of the party. Remember, **ADULTS** only.

We are sending out over 65 copies of the newsletter by e-mail. By receiving your newsletter by e-mail you will be helping us cut the costs of postage and copying. Also, you receive it two or three days faster than the regular mail and you receive pictures in color.
