JANUARY 2008

Past Events

The Annual Club Flea Market was held on Saturday, October 6th. It was a great day to hold a flea market and it was a success for the club. A big thank you goes out to those who gave up their Friday night setting up and their Saturday working at the gate, the food concession and also making sure the vendors and customers were all satisfied. Among those present in this group were Marty Blake, John Blackadar, Roy & Jeanne Chamberlain, Mike Galasso & Betsy Mayhew, Angelo, Karen & Anthony Correnti, Joe Geyer, Ed Bates, Tom (the other) Curran, Tom Guild and Wally Westphal. For anyone I may have missed, I apologize. Let me know and I will recognize you in the next newsletter.

The non-point dive was set for Sunday, October 14th, but was cancelled due to weather conditions.

The monthly point dive was scheduled for Sunday, October 21st, and the site was Morton Park in Plymouth. John Blackadar and Marty Blake met up for breakfast at the Hearth & Kettle and following breakfast proceeded to the pond. At the pond they met up with Paula Carver and Joe Donahue. After waiting around until after 10:30 and having no other members show up, the dive and pumpkin carving contest were cancelled. The Mass Bay Divers club was also at Morton Park for their pumpkin carving contest dive. They had a good group on hand and Paula and Joe stayed and joined them for their dive. They are also members of the Mass Bay Divers.

CONDOLENCES

Sadly I inform the membership of the death of Edward A. Gullickson. Mr. Gullicksen was the brother of Richard (Dicky) Gullicksen, life member of the South Shore Neptunes. There will be a visitation with the family on Sunday, November 4th at the Sullivam Funeral Home, 551 Washington St. (Rte, 53), Hanover, from 2-5 P.M. There are no services. Please note this will be a "Fragrance free" visitation. To get to the funeral home, take Rte. 3 south to exit 13. Get off at this exit. At the end of the exit, go right. The funeral home is 2 miles down on Rte 53.

Upcoming Events

A reminder to all our civic minded members. Tuesday, November 6th, is election night. Exercise your right and vote. Because of elections, the regular club meeting and board meeting have each been moved one week to the 13th and 20th, respectively.

The non-point dive is scheduled for Sunday, November 11th. This will be a shore dive and it will be at Mound St. beach, Quincy.

The point dive is on Sunday, November 18th. The dive will be at Pemberton Pier in Hull. Anyone having breakfast can meet at Star's restaurant at the Hingham Circle on Rte. 3A at 8:00 A.M.

The December point dive is scheduled for Sunday, December 9th. The site will be posted in the December newsletter.

On January 1st, we will have the annual sober up dive at the lagoon in South Boston. As in the past we will get together following the dive. At this time we are looking for a volunteer to host the party after the dive.

Bay State Council Meeting

On Wednesday, December 26th, there will be a meeting of the Bay State Council of Divers at the clubhouse.

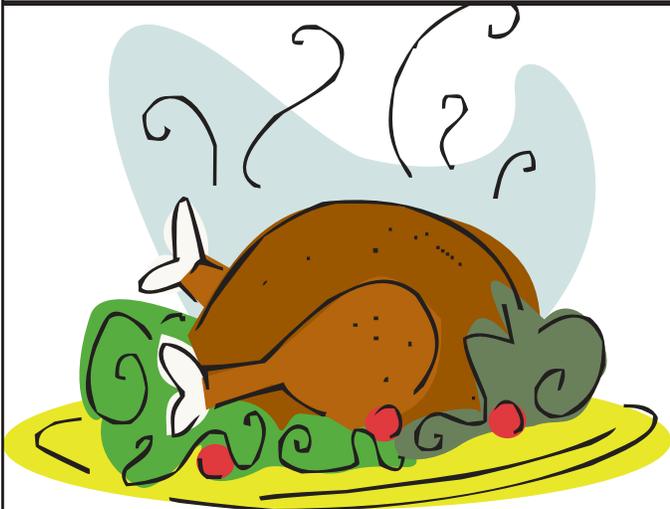

In the month of December we will have the nomination and election of officers for the 2008 year. At the first regular meeting on Tuesday, December 4th, nominations will be opened and nominations will be accepted for club officers and members of the board. On the third Tuesday in December, the 18th, additional nominations will be accepted and a vote for each office and for members of the board will be held. Following the elections the club will have its annual election night/Christmas party.

The annual Club Christmas Party that follows the elections will be different this year. Instead of just pizza there will be other hot and cold offerings for all in attendance to enjoy. Angelo Correnti has volunteered to provide us with a varied menu this year. Plan on getting together this Holiday Season.

The Annual Club Banquet is on Saturday, January 26, 2008. The club is looking for ideas anyone might have about the banquet. Maybe someone knows of a location in the club area that they feel the club would like for a change of pace. Or possibly someone knows of a good DJ who is reasonable in his rates. If you have any ideas bring them along to the next meeting and let us know.

Underwater Recovery Unit

John Blackadar, director of the unit, wants to update the underwater recovery unit coveralls that many members of the unit purchased several years ago. These coveralls currently are embroidered with the name 'Quincy Underwater Recovery Unit'. He would like you to bring your coveralls to him and he will have the unit title changed.
