

TO: All SSV Members and Interested Parties

FROM: John Blackadar, *President, South Shore Neptunes, Inc.*

Enclosed you will find a calendar of upcoming events. Please put this up on your refrigerator or a place where you will see it everyday. As you can see, we have some exciting events coming up. The success of these will be up to you!

Things with the club have been going great. The meetings have been starting at 7:00pm and Angelo has been our chef cooking at these meetings - **BAM!**

The success for the club so far is not me, but the great members of the *Board* and all the *Club Members* helping out and showing up.

After reading over the events coming up, if you have any questions, please call me. These events are geared towards family and also whoever you may want to invite.

Thank you all and we look forward to seeing you all.

John

P.S. If you have any other ideas, please do not hesitate to bring them to my attention.
