## **LAST MONTH'S EVENTS**

### **Bay State Council Meeting**

The first Bay State Council meeting of the 2009 dive season was held at the South Shore Neptunes clubhouse on Wednesday February 11<sup>th</sup>.

BSC President Angelo Correnti released the BSC Meeting Schedule for the 2009 diving season. The annual BSC Board of Directors Meeting will be held on March 13<sup>th</sup> at 7:30pm. Attendance at this meeting is closed to BSC Officers and Board Members only. A special Diving Industry Meeting will be held on April 29<sup>th</sup> at 7:30pm. The purpose of this meeting is to bring dive shop owners, dive clubs and the general diving public together to develop a plan for revitalizing sport diving in Massachusetts. Attendance at this meeting is open to all dive shop owners, officers of all dive clubs and members of the general diving public. General BSC Meetings will be held on June 10<sup>th</sup>, September 9<sup>th</sup> and on December 9<sup>th</sup> at 7:30pm. Attendance at these general meetings is open to the diving community.

Progress on the Dive Flag Recognition Program was reported by Al Bozza, Vice President of the BSC and representative for the New England Aquarium Dive Club. The council is exploring the feasibility of posting Dive Flag Recognition signs at critical locations across the state. These signs will be geared toward educating both the diving and the boating publics about what the dive flag means and what the Massachusetts Dive Flag Regulations are. Al presented a prototype of what the sign might look like, and reported that he is still researching the production costs.

The Council is again encouraging member clubs to schedule more interclub dive and non-dive related activities for the 2009 dive season. Member clubs represented at the meeting all agreed that this is still the best way to keep clubs active and working together for the good of the sport. Toward this end, the representatives of the member clubs in attendance agreed to make their activities calendars available to other member clubs, and agreed that efforts will be made to invite other clubs to join them in as many of their activities as is practical.

Keep an eye on your SSN Newsletter for listings of these interclub activities.

### **The February Point Dive**

The February Point Dive was held at Pleasure Bay in South Boston on Sunday the 15<sup>th</sup>. It was a great morning for a winter dive. The seas were flat, the sun was out, and the wind chill factor was bearable. Conditions you don't often get in mid February.

Despite the good conditions, the diver turnout was small. Only three divers suited up, including John Blackadar, Rich Bowers and Bob Huff (a non-Neptune). Bob had an equipment failure before entering the water and was forced to sit ashore with the shore team, Tom Curran and Ted Hotz.

John and Rich reported that they both had a great dive. The water temperature was a frosty 34 degrees, and the visibility was estimated at 30 to 35 feet. However, despite the good visibility, no lobsters were spotted.

### **A Dinner Night Out**

A group of fourteen Neptunes and their significant others assembled at Alfredo's Restaurant in Quincy for a dinner night out on Saturday the 21<sup>st</sup>. The food was good, reasonably priced, and everyone had a good time. A special thank you goes out to our President John Blackadar for putting it all together.

## **Underwater Rugby Tournament**

The Underwater Rugby Team hosted a two day rugby tournament at the Lincoln Hancock Pool in Quincy on February 21<sup>st</sup> and 22<sup>nd</sup>. The competitors included players from Connecticut, New York, Texas and Washington DC.

## **The February Non-Point Dive**

The February Non-Point Dive was cancelled at the clubhouse....no one showed up.

## **The Annual Boston Scuba Show**

A small contingent of Neptunes attended Fred Calhoun's 58<sup>th</sup> Annual Boston Scuba Show held at the Holiday Inn & Resort in Marlboro on Saturday February 28<sup>th</sup>.

Featured speaker, and South Shore Neptunes life member, Dave Clancy delivered his presentation on the wreck of the Andrea Doria. Also featured were films by Jonathan Bird, Fred Calhoun's film the Lady of the Island, The Birth of Technical Diving with the South Shore Neptunes, and the History of Scuba Equipment in America.

## **UPCOMING EVENTS**

### **An Open House at the Chamberlain's**

Roy and Jeanne Chamberlain will open their home for a get together party with Dave Clancy on Sunday March 1<sup>st</sup> from 1:00pm to 6:00pm. Dave will be staying with the Chamberlains while he is up from Florida for the Boston Scuba Show.

Neptunes old and new are invited to stop by to say Hi, and to talk with Dave about wreck diving. Roy and Jeanne have done this in past years, and it's always been a big success. So come on down.

### **Boston Sea Rovers Underwater Clinic**

The Boston Sea Rovers 55<sup>th</sup> Annual Underwater Clinic will be held at the Fairmont Copley Plaza Hotel in Back Bay, Boston on March 6<sup>th</sup> through 8<sup>th</sup>, and the South Shore Neptunes Club booth and the Bay State Council booth will be there.

We need volunteers to help transport and set-up the two booths at the hotel early on Saturday morning, March 7<sup>th</sup>. The show opens at 9:00am, so we need to begin setting-up at 6:00am. Anyone who can help should contact SSN President John Blackadar, SSN Vice President Tom Curran, or BSC President Angelo Correnti.

We also need volunteers to man the booth during the day on both Saturday and Sunday. This is the easy part

because all you have to do is sit at the booth and answer any questions that people passing by might have about the club. We are always trying to recruit new club members, so this is the perfect chance for you to talk up your favorite club. Anyone that can spend a few hours at the booth should contact SSN President John Blackadar, SSN Vice President Tom Curran, or BSC President Angelo Correnti.

We will also need volunteers to help break-down and transport the two booths out of the hotel at the end of the show Sunday afternoon, March 8<sup>th</sup>. The show runs till 4:30pm Sunday, but we will probably begin breaking down at 4:00pm. Anyone who can help should contact SSN President John Blackadar, SSN Vice President Tom Curran, or BSC President Angelo Correnti.

Booth Volunteers who wish to attend a few of the Rovers Clinics during the day are allowed to use one of the two complementary passes provided to the club by the Rovers. This allows you to see one or two of the many clinics without having to spend \$25.00 for a full day ticket.

Can't make the day show? You can still join us Saturday night for dinner and the Saturday night Sea Rovers Film Show. The Day Show shuts down at 5:00pm, and a group of Neptunes typically join members from other clubs and head out to a local restaurant for a casual dinner. After dinner we all head over to John Hancock Hall for a night at the movies.

Checkout the Rovers web site [www.bostonsearovers.com](http://www.bostonsearovers.com) for more details on what's happening at the day shows and who's presenting their latest work on film night.

### **The March Non-Point Dive**

The March non-point dive is scheduled for Sunday March 15<sup>th</sup>. Divers will meet at the SSN clubhouse at 9:00am, and the dive site will be chosen that morning based on the diver turnout and weather conditions. A note indicating the dive site will be posted on the Clubhouse door for any late comers.

## **LOOKING BACK at 2008**

### **2008 Awards Banquet Review**

The 2008 SSN Annual Awards Banquette was held at the Common Market Restaurant in Quincy on January 31<sup>st</sup>. The head count for the evening topped out at sixty-nine Neptunes and guests, the largest turnout we've had in years.

The evening began with cocktails and hors d'oeuvres and a continuous South Shore Neptunes slide show put together by Tommy Lo. The cocktail hour was followed by dinner served buffet style.

The awards presentation began after dinner. First Place Diver of the Year went to John Blackadar, Second Place Diver of the Year went to Angelo Correnti and Third Place Diver of the Year went to Theresa Czerepica. Rookie of the Year went to Anthony Correnti. The SSN Memorial Trophy was awarded to Theresa Czerepica for her ten years of service as club treasurer. Life Member plaques were awarded to Arthur Davies Jr., Tom Dennehy, Frank Dudas Jr., David Inglis, Christine Strout, and Tom Sullivan Jr. The awards segment closed with the presentation of the 2008 Presidents Plaque to John Blackadar.

The awards presentation was followed by live music, dancing and a two tiered cake of art dessert baked by Marie Blake.

A special Thank You goes out to John Blackadar for pushing everyone to make this the best banquet in many years. Thanks also go to Jay Theriault for making the restaurant arrangements, to Tommy Lo for putting the slide show together and to Marie Blake for another over the top Neptunes Photo cake.

### **Let's do it Again in 2009**

The club plans to continue with the things that worked last year. These include the 3<sup>rd</sup> Tuesday get together meetings for scheduled guest speakers and film nights, dinner nights out, a paintball shootout, a night at a Brockton Rox baseball game, a pumpkin carving contest and an evening at the Rhode Island's Water Fire.

The list of new activities being considered for this year includes a bicycling / rollerblading tour along the Cape Cod Canal, a night at F1 Boston, dinner on the Cape Cod Railroad and a Cruise to Provincetown.

Let us know what you think of these activities. Which ones would you most like to attend or what would you like to add?

## **A Thank You Note**

Dear Neptunes,

I want to thank you all for the "Memorial Trophy" which I received at the banquet on January 31. It was a big surprise.

I very much appreciate the distinction and special honor of the memorial trophy. I have been a member of the SSN for a long time and I have appreciated always being welcomed back to the club after some absences. The club and its members have become a second family to me. So serving as a treasurer was a way for me to give back to the club for what I have received.

I did not expect any awards for serving as the treasurer, so receiving the memorial award is a very special honor. I have enjoyed being the treasurer and being a part of making our club better. Thank you all again for this special award.
