THE SOUTH SHORE NEPTUNES

JANUARY, 1980

### HAPPY NEW YEAR!

Roy Chamberlain, the new president and the officers and board members for 1980 wish Happy New Year to the entire membership.

The officers for 1980 are:

President	Roy Chamberlain
Vice President	Paul Cavallaro
Secretary	Walter Wight
Treasurer	Joel Gray
Board of Directors	John Blackadar
	John Burchill
	David Clancy
	Don DiTullio
	Bruce Gerhard
	Paul Greene
	Jeffrey Jacobs
	Robert Massarelli
	Dana Williams

#### Presidential Appointments:

Librarian	Jenifer Hall
Equipment Officer	John Blackadar
Competition Director	Mark Johnson
Parliamentarian	Bruce Gerhard
Sergeant-at-arms	Paul Sebra
Cleanup Committee	Robert Massarelli
Club Photographer	Paul Sebra

Winners of the 1979 competitions have been announced by the 1979 vice president, John Burchill. They are:

Diver of the Year	First	Roy Chamberlain
	Second	John Blackadar
	Third	Paul Cavallaro
Rookie of the Year		Walter Wight
Largest fish		Jeffrey Jacobs
Largest lobster		Wayne Sullivan (16 lb. 8 oz.)

### EVENTS FOR JANUARY

The annual sober-up dive will be held at 10:00 AM on New Year's Day at Pleasure Bay, South Boston. With all the recent warm weather, the water should be warm, so let's try for a good turnout.

Because the first Tuesday of the month is New Year's Day the meeting has been cancelled. This gives all the late dues payers a reprieve of two weeks; 1980 dues will not be due until January 15, but after that watch out! Remember the fines: First \$5.00 and then \$2.00 for each additional month up to \$15.00. After that it would be cheaper to re-apply anyway.

On January 7 at 8:00 PM there will be a television broadcast of moovies taken from the reasearch submarine Alvin on the sea floor near the Galapagos Islands. The pictures are really spectacular and will be well worth watching. Check your handy guide for channel.

The January get together dive will be held at 10:00 AM on January 13 at Gun Rock Beach, Hull. The meeting place will be Al's Spagetti House across from the defunct aquarium. Al doesn't open till later, but we shall meet there anyway and find some place to eat. Meet at 8:30 for breakfast, to leave at 9:30. To reach Al's take route 3 (or 3a) to route 228 and then 228 north to the base of the Hull Peninsula. If you are going directly to Gun Rock, turn right off 228 onto Atlantic Ave. at the fire house. This is about  $\frac{1}{2}$  mi. after you cross the Weir River and before you get to Al's. Another half mile or so on Atlantic Ave., and Gun Rock Beach will be on your left. It is the first accessible beach, has a white fence, and there is a fast food stand across the way.

The pool at the Lincoln Hancock School will be used for dive team practice at 9:00 PM on January 7, 14, & 21. All Dive Team members (and prospective members) are obligated to attend at least one of these sessions. On January 28 it will be open to all members. If all the team members get to one of the first two sessions, it could be open to all on the 21st. Lets give it a try!

Remember the Banquet! February 9 at Fasano's. January 15 will be the cut-off date for the purchase of tickets (\$12.00), so bring lots of money to the only regular meeting of January.

#### EVENTS OF DECEMBER

The December get together dive was held at Marblehead Light on December 9. Thirteen divers entered the water, the viz. was 30 ft., and lobsters were abundant. It was a really fine dive.

The annual children's Christmas party was held on December 16. Tom Schoener played Santa, and the children all had a really good time. There was plenty of food, so the adults had a good time too.

There were no new membership votes during the entire month of December. Are we loosing our popularity? Should we be using Lifebuoy?

The outgoing 1979 officers take this opportunity to wish the incoming 1980 officers the best of luck for a successful year ahead.

ICE DIVE - reasons for the club and our safety officers will be coordinating the dive through two of our club's highly respected and experienced divers; John Blackadar, 826-2505 and Roy Chamberlain, 583-8895. If there are any questions or doubts as to the dive, please contact either John or Roy. Help is also needed so please call John or Roy if you can volunteer.

To find the Quarry, enter the main entrance of the Quincy Dump on Willard Street. Drive up the main road and look for the diver's flag signs.

NOTICE TO ALL CLUB MEMBERS

A new amendment has been added to the Clubhouse rules and reads as follows:

Willfully displaying a fire arm within the confines of the Clubhouse or any club function or any violation of any Mass. fire arms law may be cause for dismissal from the Club.

DON'T FORGET!! I sure hope you didn't forget to pay your dues for if you did, your name may be dropped from our mailing list.

HOT LINE!HOT LINE!HOT LINE!HOT LINE!HOT LINE!

Don't give up on diving. If you need a buddy, call Bob Massarelli at 773-6162, our new Hot Line diver.

MARCH, 1980

### NEWSLETTER OF THE SOUTH SHORE NEPTUNES

#### CLUB DIVE AT MARBLEHEAD LIGHT.....BOB AVILA

The day of the club dive was clear and very cold above and below the water. The temperature above was 20 degrees with a 20 m.p.h. wind off the water. Below the water, the temperature was 31 degrees with 30-35 ft. visibility. There were 14 divers in the water, the majority of them wore dry suits, thought by most owners as the best thing to happen to diving since apple pie and ice cream.

There were those who were courageous enough to brave the cold water using wet suits but only for a few minutes. Jimmy Walker pulled an "L Street Brownie" and went in for a dip without a wet suit. Brrr.

A few lobsters were taken and everyone had a good time except for Roy Chamberlain who lost his \$85.00 dive light. Those present at the dive were: Roy Chamberlain, Jeff Jacobs, Bob Murphy, Dick Murphy, Bill Burchill, Paul Cavallaro, Jim Walker, Bob Massarelli, Steve Norris, Steve O'Gara, Gordon McConarty, Bob Avila, Ted Hotz, Bruce Gerhard

#### ANNUAL ICE DIVE.....BRUCE GERHARD

The annual ice dive was held at Goldfish Quarry on Sunday, February 17. For once, the weather was very cooperative. It was cold enough the two previous weeks to form good solid ice, but not too cold on the day of the dive. It snowed the previous day; just enough to cover most of the garbage, but not so much that we couldn't get cars into the quarry. There was a very good turnout of both members and guests and in all, forty-two divers entered the water.

As usual, the viz under the ice was excellent and a good time was had by all. One of the guests was even selling "T" shirts to commemorate the event. The only two negative elements were the absence of the canteen truck and the president's trick knee. The latter gave everyone a few moments of excitement when it unexpectedly came out of joint.

SOUNDINGS (cont.)

SOUNDINGS FROM.....PRESIDENT ROY CHAMBERLAIN

Having a great time in St. Croix. The weather is 90 degrees and I'm diving every day. Tell you all about it at the next meeting.

SOUNDINGS FROM.....V.P. PAUL CAVALLARO

GIGANTIC SUCCESS - The raffle is a gigantic success. A  $\frac{1}{2}$  gallon of booze was won by Bob Murphy and a free air fill was won by Bob Avila.

Come to the next meeting and take a chance. The lucky winner may be you.

SOUNDINGS FROM.....TREASURER JOEL GRAY

Any outstanding bills should be given to the treasurer before the start of each meeting or they will not be paid until the next scheduled meeting.

SOUNDINGS FROM.....SYMPOSIUM DIRECTOR DAVE CLANCY

If anyone has a question regarding the dive symposium being given by Dave Clancy, give him a call.

Notice to all club members - if anyone knows the whereabouts of any of the club gear, please call John Blackadar, the equipment officer. Your cooperation will help everyone.

CLUB JACKETS-Orders are being taken by Bob Massarelli for the club jackets so order yours now and avoid the rush!!!!!!!!!!!!

Now on sale at club meetings are club patches and club tee shirts. There is also a limited amount of "Ice Dive Tee Shirts" still available.

SOUNDINGS (cont.)SOUNDINGS FROM.....SECRETARY WALTER WIGHT

REMINDER TO ALL CHAIRMEN!!!!!!!!!!!!!!!!!!!!!!!!!!!!

If you would like your committee to be reported on in the Newsletter or if you have something you would like to share with the other members, please have all articles to me in writing by March 25 if you would like it in the APRIL ISSUE. Otherwise, you will be sadly missed.

I would like to thank the people who contributed towards this month's newsletter; namely, Bob Avila and Bruce Gerhard. Keep up the good work!

DIVE! DIVE! DIVE! DIVE! DIVE! DIVE! DIVE!

The 23rd of March is the date to gather for another outstanding dive at The Glades in Scituate. The meeting place is the Gannett Grill for breakfast that morning at 8:00 A.M. We shall all gather there and proceed to the Glades to suit up and be ready to enter the water at 10:00 A.M. Immediately following the dive, a party is to be held at Dana Williams' house. Just remember to BRING YOUR OWN as Dana will be supplying the atmosphere and the music and a place for it to happen. So let's "GO DIVING".

DIRECTIONS: To reach the Gannett Grill, follow Route 3A from Quincy to Scituate until you come to the sign for the Golden Rooster Restaurant on your left, turn left on H.T. Bailey Road which turns to Gannett Street. The Gannett Grill is just on your left as you come to the intersection of Gannett and Hollett Street. If you continue straight ahead, you will end up on the Glades, the site of the get-together dive of the South Shore Neptunes.

THE SOUTH SHORE NEPTUNES

APRIL, 1980

ANNOUNCEMENT: A meeting will be held at the clubhouse on April 9 at 8:00 P.M. for the committee and those interested in the club seminar.

The club dive which was scheduled for March 23 at the Glades was cancelled due to the weather.

DIVE!      DIVE!      DIVE!      DIVE!      DIVE!      DIVE!      DIVE!

Stagefort Park in Gloucester is the site of the next club dive.

Date: April 27th  
Time: 10:00 A.M.

Meeting place - The Gull Restaurant at 8:00 A.M. for breakfast.

Carpool will be available at the clubhouse at 7:00 A.M.

DIRECTIONS TO DIVE ENCLOSED!

### \*CPR COURSE\*

A CPR course and first aid for choking is now available for all those interested. The course is being offered by CPR Instructor, Joe Donahue. It will be a one and two person instruction using manequin and films. It is a 9 hour course from 7 to 10 P.M. at the Neptunes Clubhouse on April 14, 16 and 18. There will be a \$2.00 fee upon registration to cover the cost of materials.

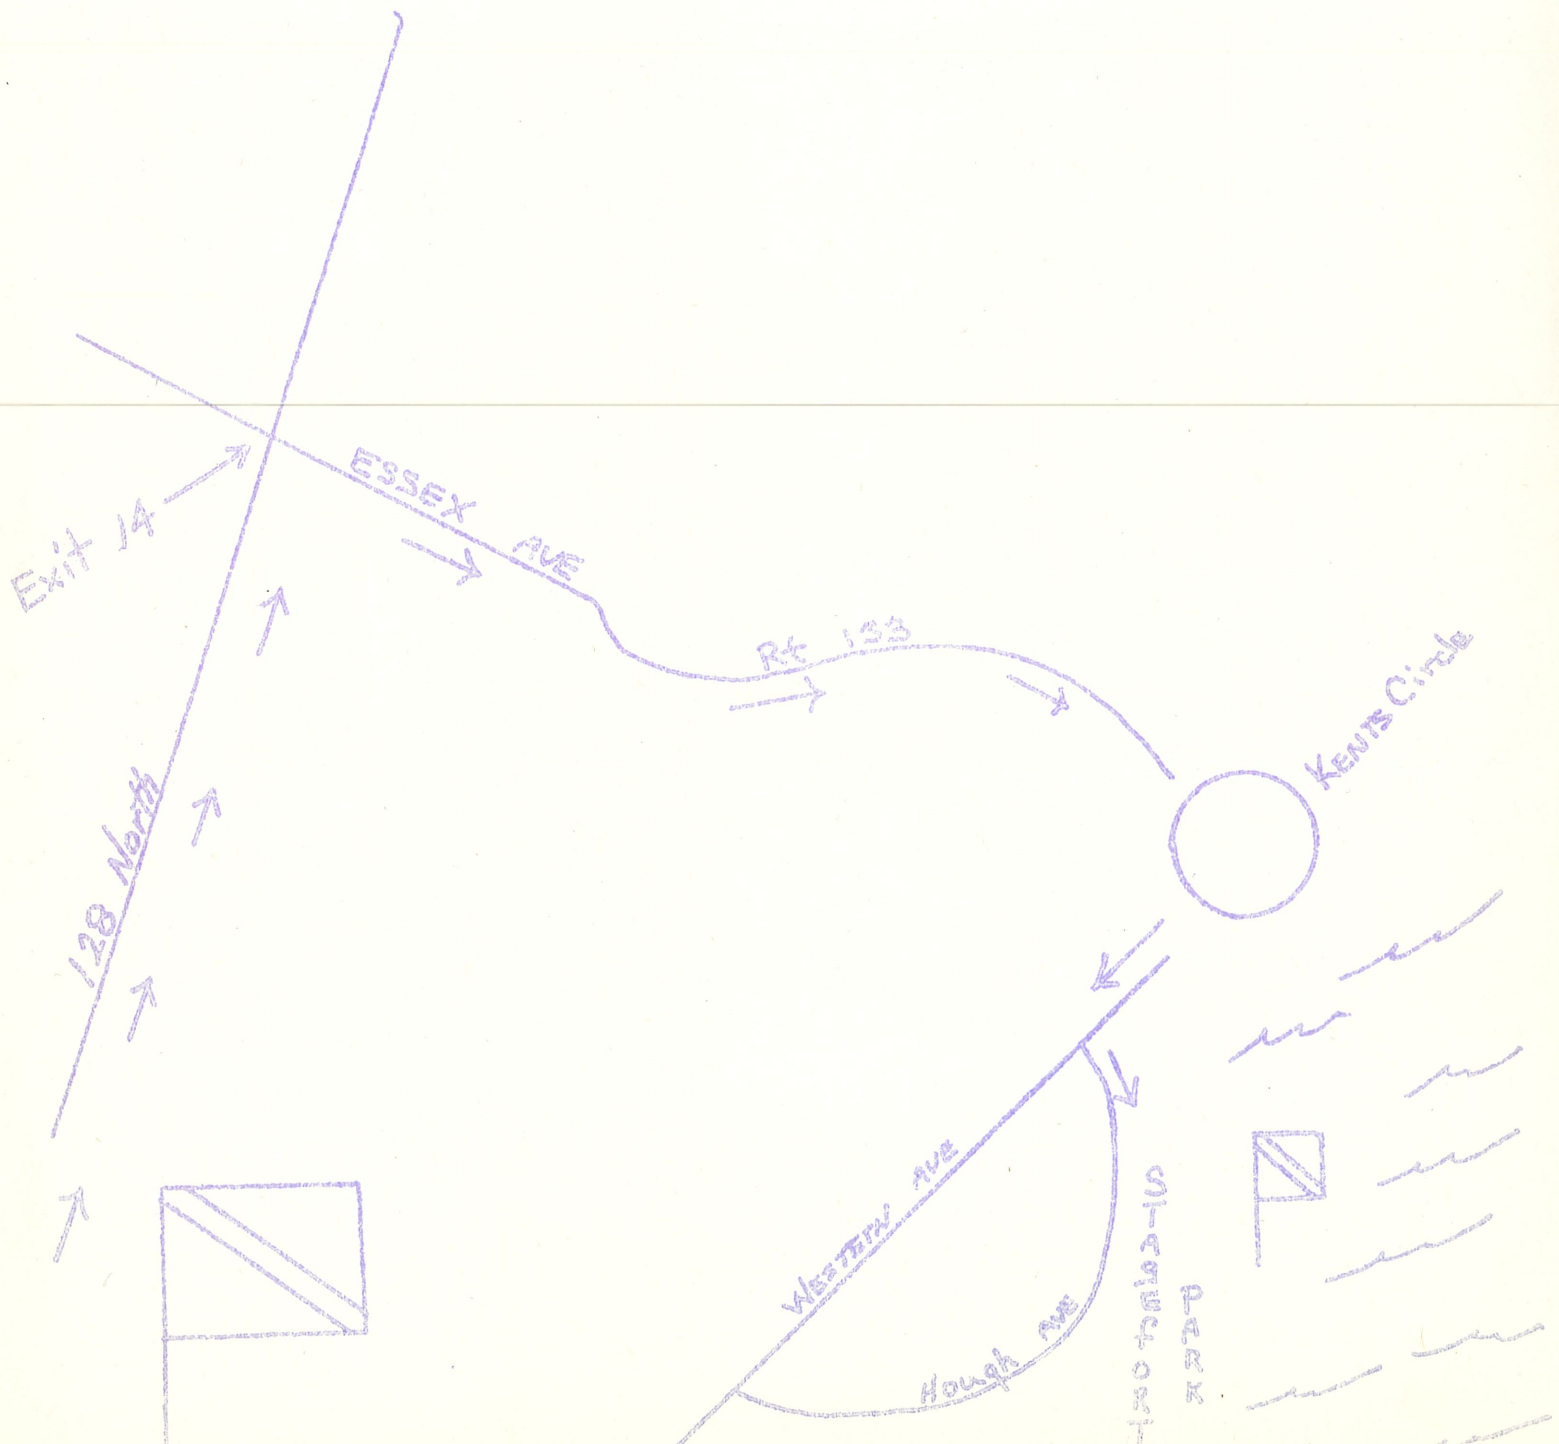

Registration will be at the April 1 regular meeting and the April 8 board meeting or by contacting Joe at 323-5947.

REMEMBER: Without your quick response and participation, this life saving course will be cancelled. Sign up now! It may help to save a life.

# DIRECTIONS TO THE NEPTUNES DIVE

Follow Rt 128 North to Gloucester, take exit 14 Rt. 133 and continue on Essex ave to the end where it meets Western ave. Turn right on western ave and your next left on to Hough ave. You will then be at Stagefort Park.

SOUTH SHORE NEPTUNES

MAY, 1980

Well gang, you are about to feast your eyes on the end result of the cooperative efforts of the dedicated members of your Executive Board. Big deal, you say? Well, as you know, we were without a secretary for a couple of meetings, so the Executive Board took the bull-by-the-horns and made the newsletter.

FIRST, thanks go to Dave Clancy for acting as secretary for the April 8th meeting of the Board and Dorothy Bruce, who acted as secretary for the April 15th regular meeting. Both did a fine job in lieu of the hasty departure of our erstwhile Secretary, Walther Weight.

Thanks also to Jennifer Hall for getting the "SUNKEN TREASURE" movie for the club to enjoy at the April 15th meeting and to the non-union projectionist and his helper.

Three members of the club did a fine job of presenting their talks at the NAUI Symposium at the Harvard Science Center. A job well done by Mike Lamarre, Paul Adler and the not-so-lo-key president, Roy Chamberlain.

\*\*\*\*\*

THANKS!! THANKS!! THANKS!! THANKS!! THANKS!! THANKS!!

Thanks to Vaun Lovejoy and Jimmy Walker and all the others who helped out at the NAUI Symposium.

And NO THANKS to those who didn't show up to help at the Expo's on the 20th at Danvers and Beverly. The President was alone at those places.

\*\*\*\*\*

### CLUB DIVE

The club dive at the Scituate Glades was cancelled due to suicidal or kamakasi diver conditions. However, the party at Dana Williams' house was a blast and the food, especially the clam chowder, was a culinary delight. We watched "Animal House" on STARCASE and everyone had a great time.

The April 15th raffle was won by Bob Massarelli to the "Split The Pot" tune of \$17.00.

The Executive Board give a special thanks to Joe Donaghue for giving the club a CPR Course. It was well attended and greatly appreciated.

The first competition dive of the season will be held on Sunday, May 4th at the Scituate Glades at 10 a.m. Parking will be assigned at the dive. If the current is right, it'll be a real "shoo-in"! Directions to the dive site are enclosed.

The May get together dive will be held at Beaver Tail Point, Rhode Island on May 18th at 10 a.m. Meet at the Westgate Mall at 8 a.m. in Brockton (Take the Route 27 exit off of Route 24) for carpooling. Meet in front of the Sunshine Food Mart at 8 a.m., for those interested in breakfast, show up at 7. There are several restaurants in the area. Call Bob Mastarelli for directions to the dive site (773-6162). This is a good dive, good vis, and the water is warmer than here.

PARTY!! PARTY!! PARTY!! PARTY!! PARTY!! PARTY!! PARTY!!

Paul Greene's having a party on May 3rd. B.Y.O.B. Bring a creative, ethnic dish and your girl or beau (or both) and discuss how to squeeze the details out of Mark for the next day's competition dive. SEE MAP FOR DIRECTIONS.

SOUTH SHORE NEPTUNES

JUNE, 1980

WAA-HOO!!! WE HAVE A NEW CLUB SECRETARY!!! Dorothy Bruce has volunteered to tackle the job for the rest of the year. At the May 6th meeting she was elected and given an unanimous club vote of confidence. So, if you have good news to share or an ad to place in the newsletter, you can call Dotty by phone at 668-0674 or write to her at 199 Spring Street, Walpole, MA 02081. GOOD LUCK, DOTTY! WE'RE ALL BEHIND YOU!

The first competition dive of the year was held on May 4th at the Scituate Glades. Nine divers entered the Snorkle event with Roy Chamberlain taking 1st place, Chuck Cipoletta taking 2nd and Neal Lanove taking 3rd. There were five teams entered in the Scuba event, but only one finished the course: John Blackadar and Bob Avila. The other four teams crashed on the rocks. Dana Williams tried to compete, but it seems that he couldn't zip up his suit past his stomach. Even though he didn't dive, Dana held an after-dive party at his house and all who went had a great time.

The May get-together dive was held at Beavertail Point, RI on May 18th. Roy played safety officer for the occasion. There was 10-foot viz and 16 divers in the water. The surf was rough but not too bad. Roy found, of all things, an airplane on the bottom. After the dive, some returned to club out in the clubhouse to cap off a perfect day of diving.

For those interested in the fate of the club camera, you can relax. With NO discussion (can you believe it??), it was voted to repair and keep the camera. It will cost \$56.00 to repair if THIS time and if other repairs are needed in the future, those who want them done are to get SOUND FACTS AND FIGURES before opening their mouths at the meetings.

The Seminar Committee is progressing quite nicely, thank you. So far, there are six topics for discussion and people are needed to take charge of one topic and develop it. The committee is also trying to set up a forum on off shore oil drilling between the major oil companies and groups such as Commercial Fishermen Against Off-Shore Drilling on Georges Bank. Since this seems to touch on one of the major industries in this state and always seems to make great news copy, there's a good possibility of First 4 News or Channel 5 giving us TV coverage. You voted to hold this seminar, so come out and show your support (we look for more than buying a ticket, although that doesn't hurt).

There has been some interest in having a 50's Night. We have found a D.J. who does it professionally. The best time to hold a dance seems to be in the fall since, as we all know, the summers have been TERRIBLY HOT this time of year. If we don't get an air-conditioned hall, it would be sheer hell. If we start planning NOW, we can pull it off with a minimum of cost and a maximum of fun for all. All who are interested in joining the committee and taking a00 the praise should contact Roy Chamberlain.

50's Night, CONT.

Unless we can prove that the club would really like to have a 50's Night, and Roy sees enough support from the club, we won't have it. SO, SPEAK UP, ALL YOU GREASERS!!

NEW MEMBERS

This month, we elected 4 new members. Debbie Osborn and Jimmy D. Jackson, Jr. received their first club vote and Jerry Nee and Tricia Davis received their second vote. CONGRADULATIONS AND WELCOME!!

During the month of April, there were two EXPO'S and a diving seminar, at all of which the club sponsored a display. Comparing the support of our club to the others present was, to say the least, was EMBARRASSING. We participated in these seminars only by vote of the club to promote not only our club but the sport of diving. There are some clubs that REQUIRE their membership to give a certain number of hours per month to club-promoting activities. Isn't it great that we don't do that sort of thing?

CLUB DIVES FOR JUNE

There will be a competition dive on June 8th at Brant Rock in Marshfield. The snorkle event will start at 10 a.m. and the scuba event will follow shortly thereafter. For those who need directions, call the Competition Director, Mark Johnson, at 878-6562.

The June get-together dive will be held on June 22nd as a Boston Harbor boat dive. Meet at the old aquarium at Nantasket Beach across from Al's Spagetti House at 8 a.m. for breakfast. For those who aren't interested in breakfast, meet at the Pemberton Pier at 10. To reach Pemberton Pier, take Route 3 south to Exit 30 (Route 228). Follow Route 228 past Nantasket Beach all the way to the end. If you hit the ocean, you've gone TOO FAR. Due to past experience, we've found that the only way to know if a boat dive is on is to show up at the site. When we get there, the final decision will be made.

EVENTS OF INTEREST

Our president, Roy Chamberlain, will be speaking at the 1st INTERNATIONAL FISH DAY, in Plymouth on June 21st. See Roy for further details.

## SOUNDINGS

July, 1980

HERE COMES THOSE LAZY, HAZY, CRAZY DAYS OF SUMMER, GANG!! The heat, mosquitoes and sunburn aside, it promises to be a busy time as far as the club is concerned.

### NIGHT DIVES

We've started holding night dives for those of us who want to try something different. The number of night dives we hold depends on how many members like the idea. The dives are not for points, but are a great deal of fun anyway. So, if you want them, SPEAK UP FOLKS!

The second competition dive of the year was held at Brant Rock in Marshfield on June 8th. Nine divers entered the snorkle event with Roy Chamberlain winning 1st place, John Blackadar winning 2nd and Dale Saad taking 3rd. However, there was only one finisher in the scuba event, Chuck Cipoletta. The next competition dive will be held in August, so look for the location in the next newsletter.

### CB & VHF LISTING

Most, if not all, of our members are the proud owners of CB or VHF marine radios. If you are out diving on a boat, wouldn't it be nice to have another club member for company? How about having one channel that you KNOW a Neptune will always be on? How about having a listing of members "handles" and VHF numbers so you'll know who to call? WELL, your ever-efficient secretary will attempt to answer these difficult questions:

- 1). Isn't it always fun to have other members around.
- 2). The channel you will always find your fellow members is Channel 13.
- 3). If you will contact the Secretary, she'll add your name to the list and put it in the newsletter as soon as possible.

### CLUB DIVE TANKS

Anyone who has borrowed any of the club tanks, please return them to John Blackadar, the Equipment Officer. If you can't return it right away, call him at 1-826-2505.

There will be a movie shown at the July 1st meeting by the Club Librarian, Jennifer Hall, called "Draggerman's Haul".

The Seminar Committee is plodding along rather well, but they still need more able-bodied members to take charge of the remaining subject areas. This year's committee has really worked hard to make this a great success, so GET OUT THERE AND HELP!!!

OUTING! OUTING! OUTING! OUTING! OUTING! OUTING! OUTING!

COME ONE, COME ALL, TO THE ANNUAL SOUTH SHORE NEPTUNES CLUB OUTING!! The date for this year's extravaganza will be August 10th, with a rain date (God, Forbid) of August 17th. It will be held at the usual place, Scusset Beach. Just to show that inflation doesn't hit everything, Last year's prices are still in effect:

\$5.00	Adult Members
FREE	Member's chicken under 12
\$8.50	Adult quests and children over 12
\$5.00	Guest children under 12.

All those who aren't sure if they want to attend, keep in mind that last year we had over 20 cases of beer and soda, hot dogs, hamburgers, Italian sausage and enough delectable edibles to feed an army division for a month. You can't possibly get a better meal for these prices and if that doesn't make you say "yes", NOTHING WILL.

So everybody, come on down to Scusset and have the time of your life. The cut-off date for placing reservations will be the July 15th meeting. If you aren't able to make a meeting in July, simply call our Treasurer, Joel Gray, to make your reservations and mail him your check.

#### CLUB DIVE FOR JULY

The get-together dive for July will be a Family Day Dive at the Spit on July 13th. Boats will be leaving Mary's Landing starting at 8 a.m. to shuttle everyone out to the Spit. We leave the wives, kids and food on a big beautiful beach, while the guys go out and dive. This is considered a club boat dive, so any new members should talk to Roy before planning to go. New members require two check-out dives before qualifying for a boat dive. (Directions on next page).

## Club Dive, Continued.

To reach Mary's Landing, take Route 3A past the Scituate Police Station on the left. About two miles further down, Mary's Landing will be on the right just over the North River Bridge. You can see the boat ramp from the highway. All members who have boats are ALWAYS welcome and are urgently needed. The club has voted to pay all launching fees.

FOR SALE

22' Bristol Sailstar Sloop. Sleeps 5. Stainless steel rigging, automatic roller reefing on the jib. Fully equipped including VHF radio, dacron sails, cockpit cushions, pumps, anchors and lots of extra lines. Also includes marine head and full galley, stoves and ice box. ### ERRORS, OMISSIONS AND CORRECTIONS

In last month's newsletter, it was reported that Chuck Cipoletta ALONE won the scuba event at the competition dive. HOWEVER, someone neglected to mention that Chuck had a partner, Brian Clinton. I hope that Brian will accept my apology for the unintended omission.

### CLUB OUTING

As a reminder to all you poor souls who forgot to make your reservations (but especially to all you SMART people who did) the South Shore Neptunes Club Outing will take place on August 10th at Scusset Beach with a rain date of August 17th. Everything starts around 10 a.m., but those who want to help set things up are welcome to show up earlier. We'll all be thinking of all of you who aren't there (ha! ha!)

### WEDDING BELLS!!

For those who have taken the "plunge" (and those who watched them do it) one wedding is a great excuse to eat, drink and party. But, this month, we have TWO weddings to celebrate. On August 2nd, our Vice-President, Paul Cavallaro and Stephanie Parker, also a club member, are being joined in holy matrimony. AND, on August 23, Board member Dave Clancy and Myra Buchanan (club member by adoption) are also tying the knot. On behalf of the entire club, we wish you all best wishes and much joy for the future.

### PAST EVENTS

The Boston Harbor boat dive held on June 22nd went extremely well. There plenty of divers and boats as well. Some of the divers got some real goodies, but nobody's talking. (I wonder what wreck they raped!!!)

There was a Family Day Dive at the Spit on July 13th. The weather was fantastic with 9 boats and 25 divers in the water. Including wives, girlfriends, children and guests brought the total up to 40. Mark Johnson spent some of the afternoon walking his pet lobster.

CLUB BANQUET

WELL, FOLKS, its time again for the Club Banquet. It may seem a bit premature to bring up something that is 7 months away, but finding the hall, getting the band and especially getting the money takes time. So, the faster we start planning the better. Fasano's, where we held the banquet last year, has since gone out of business, so we need a new location. We need some new ideas for places to have it, so if you have a favorite spot that serves great food or know of a band that is both good AND cheap, research everything and come to the September board meeting. Remember, THIS IS YOUR BANQUET!!

NEW MEMBERS

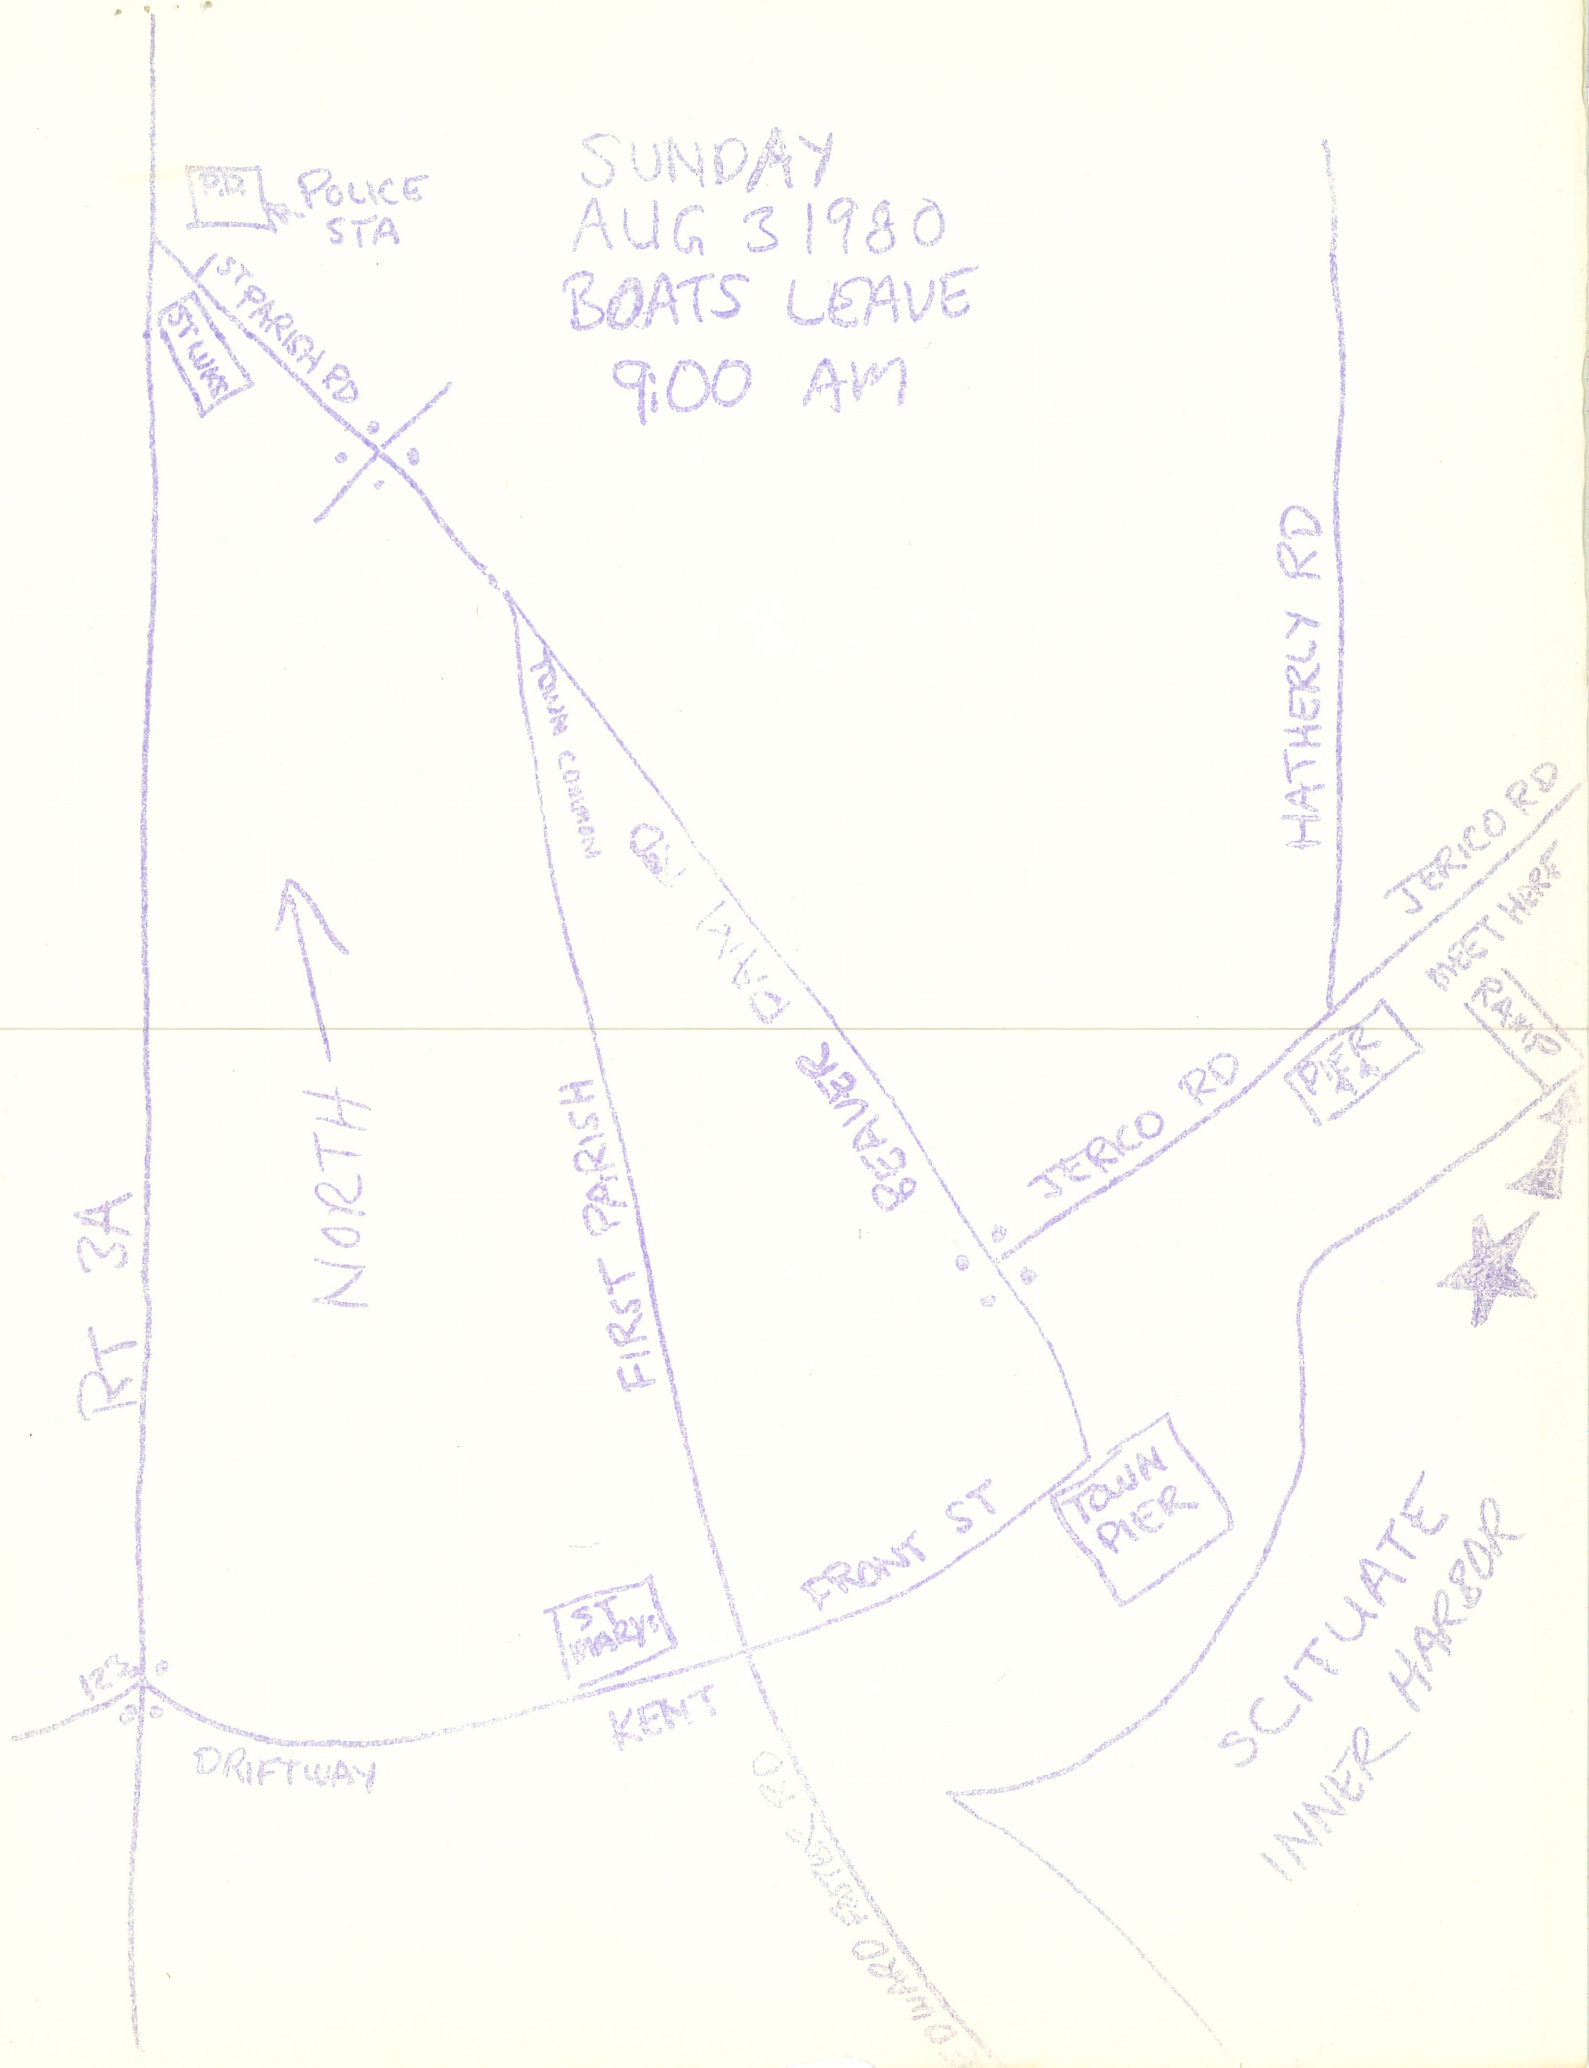

During the month of July, we've added a few new faces to our club. John O'Connor, Richard Butler and David McKinney passed their first vote and Neal Baker, Vaughn Lovejoy, Katie Johnson and Peter Bishop passed their second vote. WELCOME, ALL!!!

CLUB DIVES FOR AUGUST

The competition dive originally scheduled for August 24th has been postponed until October due to the perpetual parking problems that crop up in the summer. The Competition Director, Mark Johnson, will announce the location later.

The August Get-together dive will be a Minot Light boat dive. We leave the Pier 44 Public Launching Ramp in Scituate at 9 a.m. It is suggested that you get there real early since it gets crowded there rather quickly. The ramp is located at the junctions of Hatherly and Jerico Roads.

### THE OUTING

As you all know, the Annual Club Outing took place on Sunday, August 10th. Well, we couldn't ask for a better day to hold it. The sun was out, the ocean was comfortably cool and the food was always there. Over one hundred men, women and children gorged themselves on hamburgers, hot dogs, italian sausage, chicken, corn and other goodies, AND IT NEVER STOPPED COMING, NY FRIENDS!!!

The liquid refreshments held up well, in fact, a little too well since it seems that we bought a little too much. Never fear, though, it wouldn't go to waste. We will simply hold a raffle during each regular meeting until the supply is all gone. All the people who didn't want to go, you missed a great time.

### THE BEER

For the past few months, the beer chest has been consistently been coming up short. The amount differs from meeting to meeting, but the end result is still the same: some of the members are too cheap to put in 50¢ for a beer and considering how cheap the cost compared with the local bars, it is truly amazing that someone would pull this. To prevent such losses in the future, the Board has decided, on vote of the membership present at the last regular meeting, to raise the price of beer to 75¢ a can and the price of soda to 50¢ a can. It was also voted to have a lock placed on the beer chest and have a monitor posted to collect the money. This was not an easy decision for the Board to make, but we have no choice if the "honor" system isn't working. We hope that you will all understand and cooperate with us.

### BOOZE CRUISE

We have been hearing from some members about having a booze cruise. There is a boat leaving from Hingham that is supposed to be good. If you like the idea of a booze cruise, call Don Ditullio at 1-337-4798.

### CLUB BANQUET

As announced in the last newsletter, the time has come to start plans for the club's annual banquet. Since Fasano's folded, we need some fresh ideas for places to hold it. So, boys and girls, if you have any ideas for banquet halls and/or bands, come to the September board meeting on September 9th with all the researched costs and prices. Remember the old saying: THE ONLY WAY IT'LL BE DONE RIGHT IS IF YOU DO IT YOURSELF!!!

THE SEMINAR

At long last after months of planning comes the Club Seminar. This year's seminar is co-sponsored with Fred Calhoun of NAUI and will be held on Saturday, September 27, 1980 at the John Hancock Hall in Boston. Our part of the program, the day program is entitled "Marine Science in the 80's" and runs from noon to 5 p.m. It features such topics as Commercial Diving Research Vessels Large & Small and a forum on Off-Shore Oil. The evening program, sponsored by Fred Calhoun, is a Film Review and starts at 8 p.m. at the same location. Movies presented in the past have been both entertaining and informative. Tickets for each program are \$4.00 each and are well worth it. Tickets are now available at the meetings and will be available at the door. There is a parking garage adjacent to the hall for your convenience. This project was undertaken with the approval of the club, so come out and support this worthwhile event.

DIVES FOR SEPTEMBER

The competition dive has been rescheduled for Sunday September 28th at Beavertail Point, Rhode Island. This will be the annual spearfishing event and is usually a lot of fun. For carpooling purposes, meet at the Westgate Mall in Brockton at 8 a.m. to leave for the site by 8:30. To get there, take Route 24 South to Exit 18 North. The entrance to the Mall has a sign for the Holiday Inn nearby. We meet in front of the market. (If you can't find the market, just look for Roy's van!)

The get-together dive will be held on Sunday, September 21st, as a dive on the wreck of the "New Hampshire". We meet at Denny's Restaurant, which is located across from the Liberty Tree Mall in Danvers, at 8 a.m. for breakfast and leave for the site at 9. The "New Hampshire" is one of the most interesting wrecks around. If you get real lucky, you might find a spike!!

### THE POOL

Starting on September 29th and on every Monday, thereafter, except holidays, of course, the pool at the Lincoln-Hancock School in Quincy from 9 to 10 p.m. The pool is open to all dive team members and club members to practice their diving techniques and, for those of a sporting nature, there is usually an underwater rugby game going on.

You can even bring your tanks, but you have to be careful of the tiles. We wouldn't want a hole in the pool, now would we? To get to the school, take the Furnace Book Parkway as though you were on the way to the clubhouse, but take a right at the first set of lights. Go through two more sets of lights (do not go up the hill at the second set of lights) and the school is located about 500 feet up the road. This is one of the privileges of the Dive Team that we ALL can share. If we don't have enough people to show up, we may lose the pool. So, SHOW UP.

### THE BANQUET

As time passes and February rolls around, thoughts of the club annual banquet come to mind. But, there are many unanswered questions: Where will it be held? How much will it cost? When will it be held? For the answers to all of these questions, we need your help. Your help in the form of ideas on locations to hold it and bands to entertain us. The deadline for submitting halls and bands for consideration will be the October 13th Board meeting. This is something you should really participate in as the banquet is for all the club members. Let your voice be heard.

### MOVIE

Due to the ever-present energies of the Club Librarian, Jennifer Hall, there will be a movie at the October 21st regular meeting called "Seashores Compared". Jennifer has done a fantastic job this year, so come and show your appreciation for her efforts.

### LOBSTER COMPETITION

We've finally received the first entry in the Largest Lobster competition. Joe Donahue caught a 13.34 pound lobster on August 8th. In case somebody forgets, the one who registers the largest lobster will get a trophy at the club banquet. Doesn't anyone want to give Joe a run for the trophy?

CLUB DIVES

This month's get-together dive will be a sled run on Long Pond in Plymouth on October 19th at 10 a.m.. **THIS IS REQUIRED FOR ALL DIVE TEAM MEMBERS!!**

For those who hesitate to try the sled run, there is nothing to be concerned about. The sensation of gliding smoothly across the bottom with your buddy without worrying about getting tired, is a unique experience you really shouldn't miss. The boat does the work, not you. The dive truck will also be there so that you will have a warm place to change and coffee and soup to keep you going. So, come on down and try it.

The final competition dive of the year will be held at the Scituate Glades on October 26th at 10 a.m. The snorkle event will start at 10 and the scuba event will follow. I hope some new faces will appear at the dive.

There is also a possibility that we might have an unofficial informal dive at Little Brewster Island in Boston Harbor. We usually have a club dive there in August, but permission was slow in coming so we couldn't have it. Usually, we leave all our cookout stuff and go out boat diving and then come back and picnic. If you are interested, come to the meetings for information or contact the Secretary, Dorothy Bruce, for details. Her number is 668-0674.

NEW MEMBERS

We've really had a great month for club memberships. The following is a listing of all new members who have joined since August:

### THE CLUB SEMINAR

The club seminar, "Marine Science in the 80's", was held at the John Hancock Hall on September 27th from 12 to 5 p.m. The program was an excellent one with such fascinating topics as Oceangoing Research, the History of Commercial Diving and a forum on Off-Shore Oil (Which the oil companies were too chicken to send a representative). After the program, 25 people went to Jacob Wirth's Restaurant and set a new record high for a dinner check-\$321.00.

For those in the club that supported the seminar by working their hearts out and especially those who bought a ticket and attended, we give you our thanks. BUT, to those of you who sat on your buns and voted to hold the Seminar, but didn't lift a finger to help, all I can say is this: THANKS A HEAP, TURKEY!! If every member of our club had bought a ticket, we could easily have made money this year. It has been suggested that the club not have a Seminar next year due to the lack of support always shown in the past. So, gang, I suggest that you think about it.

### CLUB RULE BOOKS

The club rule books are finally completed. All changes have been approved and now the books go to the printers. Bruce Gerhard did a pain-staking job of researching all changes to the rules made over the years and he deserves three cheers for all his labors.

### CLUB JACKETS

At the November 4th meeting, Bob Massarelli and Paul Greene will have a selection of club jackets in assorted styles and sizes for people to try. If anyone is interested in ordering a jacket, bring a \$15.00 deposit with you. If we get more than 12 orders, there is an ever greater discount available.

### LAST MONTH'S DIVES

The New Hampshire dive held on September 21st was a great dive. There seemed to be plenty of divers and boats on the scene, so everyone was able to dive. Some lucky devils even nabbed a spike or two. However, we don't seem to have a complete record of the divers, so could the boat operators contact Paul Cavallaro and submit a list of the people they took out?

Last Month's Dive, Cont.

The Annual Spearfishing Competition was held on September 28th at Breton Point, Rhode Island. There were 12 divers competing and 2 showed up just to dive. The winner was Bob Massarelli. Everyone had a really great time.

CLUB-DIVES

This month, there will be three dives going on, the official club dive for points and two dives just for fun.

The get-together dive this month will be a River Run to be held on November 2nd. The meeting place will be at Mary's Landing, which is located on Route 3-A South, 1/4 miles from the Scituate Police Station on the right just across from the boat landing. For those who have never tried a River Run, it is the greatest fun you can imagine. We meet at 9 a.m. and change at the site. We are then ferried up to a point 3 miles up and jump in. For those hardy souls who have no fear (not to mention grateful beneficiaries in their wills), there is a bridge crossing the river you can jump off of to start things off with a bang. There will be a prize for the most imaginative way to get down. It is suggested that you bring your favorite refreshment to accompany you on the way down. It gets very cold!! We try to begin the run at 11 a.m. SHARP, so come early. This is a snorkle event, so you don't have to worry about tanks.

The first informal dive will be at Bass Rocks on November 16th. Meet at Denny's Restaurant at the Liberty Tree Mall at 8 a.m. for breakfast and carpooling.

The second informal dive will be at Nauset Beach in Orleans. Meet at the clubhouse at 7 a.m. for carpooling or at the Homeport Restaurant at 9. Directions are enclosed.

### CLUB BANQUET

The South Shore Neptunes Annual Club Banquet will be held on January 31, 1981 at Amaru's in Dedham. The meal will be Prime Rib with Ravioli and, since everyone enjoyed them so much, last year's band will return to entertain. Tickets are \$13.00 per person. This is without a doubt the most popular event the club holds and you will see people there you haven't seen the entire year. The cut-off date for reservations will be the January 30th regular meeting. HOWEVER: PLEASE NOTE!! Joel will be more than happy to accept a verbal reservation from you, BUT, if you haven't paid for your tickets by the cut-off date, your reservation will be voided. So, come one, come all for the best night of your lives!!!

To get to Amaru's, take Route 128 North to the Route 1 exit (Exit 60 North). Go past the Dedham Showcase Theater and continue on down past such local landmarks as POPCORN'S RECORDS and, a little further down, the Dedham Mall to the set of traffic lights at the junction of Route 109 and the start of the V.F.W. Parkway. Take a left onto Route 109 and Amaru's is located about 1/4 miles down on the left.

### ELECTION OF OFFICERS

The time has come once again to elect the officers who will run the club for the upcoming year. Nominations for 1981 officers and directors will be opened at the December 2nd meeting. Nominations will be re-opened and elections will be held at the December 16th meeting. After the meeting, hopefully, will be the traditional pizza party. Anyone who is interested in running for office should note that your 1981 dues MUST BE PAID before your being nominated for any office. The responsibilities of being an officer of the Neptunes are great and should never be taken lightly. Each member should think long and hard about the qualities and qualifications you feel are necessary for an elected officer.

Joel Gray has announced that he will not seek a 6th term as Club Treasurer. Due to his business responsibilities, Joel has felt that he would be unable to give the office the time and attention it needs. So, we will need to elect a new Treasurer. All those who would like to find out about this office, come to the meeting and talk to Joel.

CLUB ELECTIONS, CONT.

KEEP THIS INFORMATION IN MIND: This is your club. You have a say in who will lead the club and how it is run. You can't complain later if you didn't speak up now!!!

NOTICE TO BOARD MEMBERS

All members of the Board are to come to the Board meeting on December 9th. Your presence is REQUIRED!

CUT-OFF ON NEWSLETTER

All those with items you wish placed in the newsletter (such as ad's, party notices, good news, etc.) will please contact the Secretary ON or BEFORE the third Tuesday of the month. After that time, NO NOTICES will be accepted for publication unless dealing with a Dive Team or a Club emergency. There will be NO EXCEPTIONS!!

CHILDREN'S X-MAS PARTY

The Christmas party for members children will be held on Sunday December 21st at the clubhouse starting at 1 p.m. Parents should bring a small gift for each child brought, the cost not to exceed \$3.00. Santa will be there to add to the excitement. Wives are requested to bring baked goods.

GROWN-UP'S X-MAS PARTY

Santa Claus is coming to 26 Elaine Court, Scituate on Dec. 13th at 8 p.m. and everybody is invited. Please bring a grab bag (not to exceed \$3.00) and that extra-special dish. Since it is a gala Christmas party, NO SCROOGE'S ARE ALLOWED. Of course, bring your own spirits (Christmas or other). Call Dana at 1-545-6619 for directions.

NEW YEAR'S EVE

Share this upcoming New Year's with your Neptunes friends at a party at John Blackadar's house in Hanover starting at 8 pm. There will be a steak dinner at a cost of \$3 to \$4 per person depending on how many come. All those that want to come should call John to let him know and also to tell him what you're planning to bring. M.Y.O.B., of course. You can call John for directions or see him at any meeting this month.
